

Skiers Out Despite Cold

Despite the mercury hovering in the neighborhood of 20 below, a large number of ardent skiers were out schussing the Drayton Valley Hill Sunday. A group is shown here using the tow following a run down the hill that is now in quite good shape as a result of recent snowfalls.

WEEKLY NEWS DIGEST

WASHINGTON, D.C. -- Richard M. Nixon assumed the awesome power and burdens of the White House Monday as he was sworn in as 37th President of the United States. Tens of thousands of yuppies and hippies marred the occasion with anti-war demonstrations that led to clashes with police.

WINFIELD -- At a meeting January 16th discussions centred around an area development plan which will affect the region that includes Rimbey, Winfield, Buck Lake, Bluffton, Alder Flats, Hoadley and Breton.

The "West of the Fifth" plan seeks to develop recreation areas, improved farming, improved transportation facilities and development of shopping and service centres. The plan was developed by the Battle River Regional Planning Commission.

VANCOUVER -- Twenty deep-sea vessels were reported berthed in Vancouver harbor last week waiting for cargoes of grain that is tied up by elevators bulging with damp and tough grain. Dry grain to load the ships is available on the prairies but can't be moved into the Vancouver facilities that are clogged with damp grain sent there for drying.

The ships, some of them in port for more than a month, are running up demurrage expenses at the rate of about \$2,500 a day each, coming out of the pockets of western farmers.

EDMONTON -- New safety standards for helmets worn by motorcycle operators and passengers went into effect January 15th. The helmets must have a hard outer shell lined with protective padding in an undamaged condition. Any other type will not qualify under the new regulation.

EDSON -- The rural development program in this area is one of three effective programs on North America Dr. W. Rogers of the U of A told the Edson Town Council last week.

"There is no way for the Edson area to go but up," Dr. Rogers emphasized. Other towns that showed promise of similar growth, he said, included one in the Peace River country, Red Deer, Lloydminster, the Calgary area, and very likely the Town of Brooks.

NUERNBERG, Germany -- Five thousand American troops were airlifted into Nuernberg Monday on their way to joining 12,000 other American soldiers in manoeuvres near the Czech border. Both Czechoslovak and Russian Communists have protested the exercises.

FORT SASKATCHEWAN -- Four prisoners who sawed their way through cell bars and escaped from the Provincial jail Sunday, were still at large Tuesday.

This Record We Could do Without . . .

Shivering Albertans are heading for a new record of consecutive days below zero. By Friday of this week we will have broken the 17-day record established in February of 1936.

Most of those days since January 6th have been well below and the greeting "Is it cold enough for you?" is rapidly becoming the most overworked and unpopular expression in the language.

Unfortunately, the weather forecast indicates we are very likely to establish the record. Isn't it thrilling to be writing a new page in history.

MAIN STREET

In addition to being against the Establishment, many hippies seem to be anti-anti-perspirant.

County Reeve to Speak at Millbank

The regular meeting of the Millbank Farmers Union was held on January 4th at 8:30 p.m. with a fair attendance.

It was decided to hold a Pot Luck Supper and Whist Drive on January 25th. Everyone is welcome to come and bring a supper dish with them, then play Whist at 50¢ per person. There will be prizes for Whist.

Also at the next regular meeting on February 8th at 8:30 there will be a guest speaker, - Rudolph Zander - councillor for division # 6, will be willing to answer any questions pertaining to the new County system.

Slides will be ordered by Mrs. Medd and shown at a later date. Lunch was served by the ladies present.

County Council Holds Organizational Meet

The first meeting of the Council of the County of Stony Plain No. 31, was held in the county office at Stony Plain, on Friday, January 3rd, 1969.

Town and Village representatives were present as follows:- William Barth, town of Stony Plain; T. W. D. Johnson, town of Drayton Valley; Everett Hall, village of Spruce Grove; Don Gylander, village of Entwistle. Also in attendance were B. Ramsay, Chief Municipal Inspector and A. B. Wetter, Assistant Director of School Administration, H. Toews, School Superintendent and A. W. Boychuk, School Division Secretary-Treasurer and a few interested ratepayers.

CHAIRMAN
At the request of the Council, Mr. B. Ramsay acted as chairman for the meeting prior to the election of a Reeve. Mr. Ramsay appointed O. W. Schuster as recording secretary pro tem prior to the appointment of a County Secretary-Treasurer.

OATHS OF OFFICE
Mr. B. Ramsay administered the oaths of office to the Councillors elected and same were sworn to before M. A. B. Wetter, a Commissioner for Oaths.

ELECTION OF REEVE
Councillor Zander was nominated by Councillor Miller. No further nominations were forthcoming and Councillor Zander was declared elected as Reeve for a one year period and he immediately assumed duties as chairman for the meeting.

ELECTION OF DEPUTY-REEVE
Councillor Miller was nominated by Councillor Bailey. It was moved by Councillor Bakker that nominations cease. Motion carried. Councillor Miller was declared elected as Deputy-Reeve for a one-year period.

APPOINTMENT OF SECRETARY-TREASURER
Messrs. A. W. Boychuk and O. W. Schuster were asked to leave the room while the appointment of a secretary-treasurer was being made. It was moved by Councillor Bailey that Otto W. Schuster be appointed as Secretary-Treasurer for the County of Stony Plain No. 31. Motion carried.

BY-LAW NO. 1-69
A by-law providing for the appointment of Otto W. Schuster as Secretary-Treasurer for the County of Stony Plain No. 31, received first reading on motion of Councillor Bailey, second reading on motion of Councillor Lent, third reading on motion of Councillor Mann and finally passed by unanimous consent of the Councillors present.

ASSISTANT SECRETARY-TREASURER
It was agreed on motion of

Reeve Zander that Alex W. Boychuk be appointed as Assistant Secretary-Treasurer for the County of Stony Plain No. 31.

SCHOOL COMMITTEE
On motion of Councillor Miller it was agreed that the Council in whole, namely Reeve Zander and Councillors Bailey, Miller, Bakker, Lent, Mann and Vowk be appointed to serve on the County School Committee.

The following Town and Village representatives were appointed to serve on the County School Committee:- Thomas W. D. Johnson, town of Drayton Valley; William Barth, town of Stony Plain; Don Gylander, village of Entwistle.

The Oaths of Office as School Cont. on Page 8

Curl-o-rama Underway

Sixteen rinks are taking part in the annual Massey-Ferguson Curl-o-rama that got underway at the Drayton Valley Curling Rink today (Wednesday, January 22nd). The event will run until Saturday.

Sponsored by Big Country Machinery of Drayton Valley, the bonspiel will select an area winner to go on to the district finals. Rinks can advance all the way to the Dominion final which this year features "Tractorama 69" and the presentation of four MF garden tractors to the top farm rink in the country.

Taking part in the area play-off are rinks from Evansburg, Tomahawk, Rocky Rapids, Drayton Valley, Warburg, Genesee, Buck Creek, Buck Lake, Alder Flats and Violet Grove.

COUNTY NAME SETTLED: IT'S "PARKLAND"

The Provincial Cabinet last Tuesday authorized a change in name by the County of Stony Plain to County of Parkland.

The change was requested by the County Council which had selected the name County of Yellowhead as first choice and Parkland second. The Alberta Geographic Board withheld approval of the Yellowhead name and Parkland was submitted to the legislative Council for ratification.

Cabinet approval ends several months of speculation and guessing about the units' new name.

High School Exams

Mid-term examinations at Frank Maddock High School will be written during the period of January 27th through January 31st. Parents are advised that students will be required to attend only during the times they write their respective exams.

Oil Wives Club Hears Address By Dr. Eustace

The regular monthly meeting of the Drayton Valley Oil Wives Club was held in the Cadium Room on January 13th with 68 members and one guest present. Hostesses were Mary Atkinson, Marilyn Rea and Jean Bywaters with Pat Jenkins playing the piano and grace by Audrey Kondratiuk.

The business meeting was chaired by President Kay Meraw. The executive gave monthly reports and Jeanette Miner announced plans for a dance at the Legion Hall February 7th featuring a "beachcomber" theme. The O. Kendel orchestra of St. Albert will supply the music and supper served at midnight. Every one is welcome and tickets can be reserved from Carol Gillis, Jeanette Miner and Mary Kublik.

The attendance pins were again discussed and a motion was made and carried that we buy the pin and then be able to keep it. It was also voted on to purchase Charter Member pins and five year and ten year pins. These motions too were carried.

Dr. Eustace was a special guest, and spoke on boys' prisons in England with which he was associated prior to coming to Canada. The talk was very interesting and enjoyed by all. Thank you again Dr. Eustace.

Mary Pollock again interviewed members of the club in her usual manner, Mary Kublik, Eunice Lyle, Mary Atkinson, Marilyn Rea and Jean Bywaters were picked for this month.

For the February program a white elephant auction sale is planned and members are reminded to please bring an article to be auctioned.

Next executive meeting will be held February 4th at Jackie Makarowski's and the regular meeting at the Cadium Room on February 10th.

Progress Noted at Entwistle Livestock Co-op Annual Meeting

Annual meeting of the Entwistle Livestock Co-operative Ltd. held November 29th in the Entwistle Community Hall was well attended and proved most informative for those in attendance.

Election of officers saw Mr. L. Gerrard named president and Mr. George Moroz vice-president. Mr. Otto Hansen was the only director whose term of office

had expired and he was re-elected.

Officers for the coming year are: Mr. Gerrard, Mr. Moroz, Mr. Hansen, Mr. J. Gylander, Mr. O. McWillis, Mr. L. Williams and Mr. W. Woloszyn, past president. The station operator is W. Woloszyn, Secretary Bill Tuke and trucker A. Osredkar.

Following reading of minutes

and Auditor's statement, the chairman Mr. Woloszyn summarized activities of the Co-op from its start to the present.

Mr. Henry Winkelaar, manager of the Alberta Livestock Co-op was present and congratulated the chairman on his report and noted the progress of the station's business.

Mr. Winkelaar received the market situation and the present state of development of the hog marketing board. He also dealt with several marketing problems and answered many questions from the floor.

Mr. Woloszyn's report of the year's activities was as follows: "We have come a long way from the first meeting that was held in the Yellowknife Cafe on January 13, 1967.

Your board elected on June 29, 1968 had a very tiring job, organizing, setting up and building what is now the Entwistle Livestock Co-op Receiving Station. The A.L.C. in Edmonton did its best in helping us financially and with advice to get the station started.

We have had 31 directors meetings since June 29th of last year. We have a ten year contract with the Village of Entwistle for 2 acres of land for \$25 a year. They built and maintain the road to the yard.

First we cleared the brush off for the building and yard. Then we bought a building from Mr. J. Bills for office use and moved it from across the highway, which had to be done between 4 and 5 a.m. to prevent traffic tie-ups.

We have built corrals and have a roof over 4 pens. The livestock scales are installed with a roof over them, as well as part of the alley and unloading dock.

We have two unloading docks and one for dumping on the ground, also one loading out dock

which our trucker says is the best yet.

We have 9 holding pens together with 20 gates which are used most of the time.

Our biggest pen is 16x32 feet and the smallest is 8x8 feet. The alleyway is concrete as are 3 of the holding pens.

We have put in the phone and power. Insulated and lined the office and added a second door.

We have gravelled the yard and approach road. It is very different from that wet and muddy day we first opened.

The station is open Monday and Thursday 8:30 a.m. to 3:00 p.m.

Now I want to thank the Directors and members for the days (for some even weeks) of donated labor, as well as all those who gave money to help the Co-op get started.

Also I want to thank members and non-members alike for bringing their stock to the Co-op yards, and also let us not forget to thank our trucker for the very good and considerate service he has provided."

Tomahawk Club Plans Miette Trip

CHERRYL-ANN DITCHUCK
Club Reporter

The third regular meeting of the Tomahawk 4-H Beef Club was held on January 14th at the home of Mr. and Mrs. Shiedeman.

Main business was a club outing and it was decided to go to the Miette hot springs. We also decided to give \$25 to the crippled children's fund.

Linda Piskunowicz and Mr. Dave Case gave an impromptu speech. Mr. Enjeneski along with Mr. Bowman showed some very interesting films.

Next meeting will be held on February 11th at the home of Mr. and Mrs. Engstrom.

When traversing large lakes on snowmobiles always have an experienced person in charge. Use the "buddy system" - two snowmobiles or more.

EDITORIAL COMMENT

What's Ahead In '69

If 1969 follows the pattern of years recently past we can expect to have our minds boggled again at feats in space, medicine and all the other sciences that are advancing the knowledge of mankind at an amazing clip.

It is astounding to contemplate that a man born at the turn of the Century and who, in his early days, knew only the horse and buggy or the primitive auto as a means of travel, will likely see men landed on the moon within the next few months and permanently-orbiting space stations become a reality in a matter of another year or so.

Anyone who subscribes to a news magazine probably was as thrilled as we at some of the fantastic full color photos taken from Apollo 8 during its lunar trek. Newsweek, for one, carried an absolutely breathtaking series of photos from close to the surface of the moon that showed our earth as a small blue and white marble floating in an intense black void. It looked like a mighty insignificant jumping off place into the immensity around us.

Medical science will likely amaze us again in the coming year as the search to extend human life by way of organ transplants progresses from a shaky start to what will hopefully become an exact science.

Some startling experiments in the field of genetics are also reported from Britain where a researcher, in a process of cell transfer, has produced a race of frogs, completely identical in every respect. The process could be applied to man by the year 2000 according to the report.

We go along with most of the scientific advances but we wonder if tinkering with the processes of nature isn't being carried too far in some cases. And how far is far enough?

A Good Choice

The name of the new municipal unit embracing the former Stony Plain MD and ID 77 and part of 78 has been settled and we are now living within the boundaries of the County of Parkland.

We believe the name to be a good choice and compliment the County Council on its selection. The name is far and away more appropriate than Yellowhead.

We should point out that many people are mistaken in their belief that the word "Parkland" has something to do with National or Provincial parks. This is not the case. Parkland is the topographical description of the type of land lying between the prairies and the heavily wooded foothills.

Parkland County is an appropriate name for a unit lying almost wholly within the described area.

Minor Hockey Week

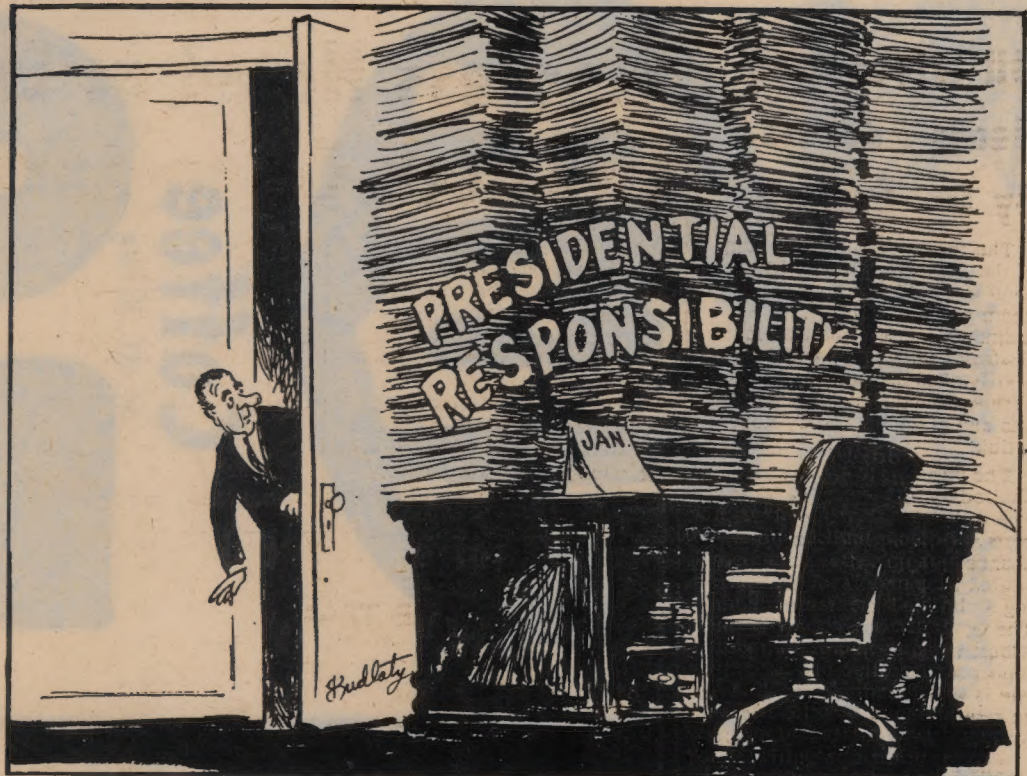

Once again it is that time of year when we are asked to support minor hockey, and to remind our readers of that already well-known slogan "Don't send -- Take your boy to the arena".

We are willing to do this because we agree there should be special recognition of the men (and women) who make minor hockey possible.

The local minor hockey association is composed of enthusiastic, hard-working volunteers whose efforts on behalf of local youngsters cannot be measured in hours or dollars. They make it possible for hundreds of our youngsters to take part in Canada's National sport. Every boy in town can have the opportunity to play, and none will be turned away. That's the kind of an organization it is.

More than that, they contribute towards the development not only of stronger bodies, but of healthier minds and better citizens. They keep the youngsters off the streets and engaged in healthy, supervised sport.

While we pause long enough to pay tribute to our minor hockey workers, similar recognition of the thousands of minor hockey volunteers in Canada is taking place right across the country; every municipality in Canada is doing the same thing during Minor Hockey Week.

Gulp!

Report From Parliament Hill

By Allen Sulatycky, M.P.

One of the most interesting pre-occupations around Parliament is the observation of the twistings and turnings of the Parliamentary Press members as they try to describe in their own way, the proceedings of the House, and not incidentally, influence public opinion.

Sometimes they make their point clear, sometimes they do not. Sometimes they miss the point and sometimes they obscure it.

During the rules debate in December, the leading members of the Press Gallery were almost united in their opposition to the

proposed changes. More specifically they were opposed to a system which would have provided for the allocation of time for debate. This was probably a natural reaction, as the longer a debate dragged, the more time available to the commentators to force their influence.

It will be recalled that the Government and the Opposition compromised on the last day of the session before Christmas, and new rules were passed, without the provision for the limitation of debate.

It did not take long for at least some members of the Press Gallery to find fault with the new rules. A Southern News Service correspondent, describing the proceedings of the first day of the session after Christmas said:

"The place looked and sounded the same under the new rules as it did under the old ones."

Later he said: "The whole affair had the taste and texture of something depressingly familiar and depressingly dull."

Readers who took to heart the comments of this particular reporter will no doubt have believed that things have changed very little as a result of the new rules. But they will have been grievously misled.

What the reader was not told was that only the first 40 minutes of the proceedings were being described. This period is set aside each day to allow Members to ask oral questions of the Ministers of the Government. The new rules were never intended to change the question period.

There was no attempt to report the next five hours of the proceedings. If there had been, it would have had to be admitted that four pieces of legislation passed second reading in that time. Four bills of similar importance usually took eight days to get through the same stage under the old rules.

The opposition deserves a

Letters to the Editor

The Editor,
The Western Review,
Drayton Valley.

Dear Sir:

We, the teachers of the Drayton Valley Elementary School would like to make a few comments on the dog problem.

We realize that dogs are an important part of most children's lives. Children need the companionship of pets as part of a wholesome growing up process.

However, there have been situations during the past months which we would like to bring to your attention.

Have you considered how many children are petrified of dogs?

Do you know how many times teachers have had to rescue sobbing children in the school yard because of this fear?

Did you know that dogs are attacking lunches children are carrying to school? Do you know how many children have been knocked down by dogs? Is your child going to be the next one?

Did you know that dogs are supposed to be kept on a leash at all times?

The staff of this school is concerned for your children. As a dog owner, are you?

Yours truly,
Elementary School Staff.

great deal of credit for the manner in which it dealt with the legislation before the House. Under the old rules, half a dozen or more Opposition Members often spoke on each bill, although what was being said was often repetitious. Now there were only one to two spokesmen from each party, although there could have been more if they so chose.

However, there was no attempt to offer praise to the opposition for their conduct, instead, only a criticism of the kinds of questions they asked of the Government.

The report ended with the words, "not the stuff of which parliamentary spectacles are fashioned."

The people are entitled to expect that their business will be conducted in an orderly, reasoned, and sometimes dull way. Surely they do not expect it to be a spectacle.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending January 18, 1969, provided by the Livestock Division, Canada Department of Agriculture.

	RECEIPTS	CATTLE-CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	5740	3850	1890	1400	425	
Last Week	5134	4122	1012	2307	543	
Same Week 1968	5803	4495	1308	3640	1150	

SUMMARY

Continued light receipts due to inclement weather created a fairly brisk local demand on the Edmonton market. Trading was generally active on all classes of butcher and replacement classes with cows and heifers making up the bulk of offerings. Butcher steers of all grades maintained steady prices all week with choice kinds selling at a practical top of 25.50, with the odd sale to 25.80. Prices on butcher heifers opened steady to strengthen as the week progressed and all grades made gains of 50¢. A few choice light weights (750-800 lbs.) were trading at 24.50 to 25. Butcher cows opened the week 50¢ to \$1 lower to an indifferent demand but by mid-week increased orders recovered earlier price losses. Good bulls were in short supply and prices remained steady. Veal calves were scarce, a few selling to 33. Butcher calves held at firm prices to last week's close. On the replacement trade, heavy feeder steers were selling 50¢ to \$1 lower. All other classes of stock and feeder cattle and calves were moving readily to a good demand at steady values. Shipments off the Edmonton yards; East-440 cattle for slaughter, 424 for feeding, West-804 for slaughter. To

southern Alberta-270 feeders.

(Bulk Closing Quotations) SLAUGHTER CATTLE

Choice steers 25 to 25.60, good 24 to 25, medium 23 to 24. Choice heifers 24 to 24.60, good 23 to 24, medium 21.50 to 23. Good cows 17.50 to 18, medium 16.50 to 17.50. Canners and cutters 14 to 16.50. Shells 13 to 14. Good bulls 20 to 21.60.

REPLACEMENTS

Good stock and feeder steers (600-750 lbs.) 26 to 27.50. Good stock and feeder steers (750 up-23.50 to 25.50, common to medium 19 to 23. Good stock and feeder heifers 21.50 to 23.50, common to medium 17 to 21. Stock cows 14 to 18.50.

CALVES

Good to choice veal 30 to 33. Good to choice butcher 26 to 28. Good stock steer calves 28 to 32, common to medium 21 to 27. Good stock heifer calves 24.50 to 26.50, common to medium 18 to 24.

HOGS

Butcher hogs opened Monday at a base price (index 100) of 28.50 dr. wt., 50 higher Tuesday at 29, unsold Wednesday, closed 50¢ higher Thursday at 29.50. 486 feeder pigs were sold Tuesday and Thursday. Feeders (65-100 lbs.) 25.50 to 29 cwt., heavy feeders (100-over) 23.50 to 25.60. Weaners and light feeders 11.50 to 19.75 per head. Sows ranged from 14 to 18 cwt., depending on weight. Boars 9.25 cwt.

SHEEP & LAMBS

Choice feed lot lambs were selling from 26 to 27 less 4% shrink early in the week. Medium to good lambs closed at 23 to 24 cwt., with no choice on offer.

Basketball in Full Swing

The Junior High Oopiks defeated St. Anthony's Angels in their second basketball game of the season, at St. Anthony's school on Friday. After the hard fought game the resulting score proved to be 20-18.

The Oopiks took a one point lead in the first quarter and held it throughout the second. The score stood at 14-12 at the end of the third quarter, each team scoring 6 points to end the game 20-18.

Sherryl Davidiuk played an excellent game scoring 14 points for the victorious team. Susan Hagman and Susan Nielson made the remaining points.

The Angels cheerleading squad was on hand to lend their vocal assistance.

The newly formed ski club held its first bake sale Friday to raise money for a tournament with Edson in the near future. The affair was extremely successful. Officers holding positions in the club are Kathy Barnes president; Michael Ellery, vice-president; and Tom Rea, secretary-treasurer.

The scores for intramurals which are still continuing at noon stand as follows: Green 4310, Gold 3900, Blue 3895, and Red 3310.

ALDER FLATS NEWS

MRS. B. JOHNSON
Correspondent

Sorry for the lapse of news the past two weeks but yours truly has been away for the holidays at Wabasca. Along with me to visit their daddy were Blayne, Debbie and Denise.

Congratulations to Mag and Gail Steiestol on the birth of a girl (Kari) December 23rd at the Drayton Valley hospital, also on receiving the silver spoon.

Betty Olsen of Calgary spent Christmas Day and Boxing Day at her parent's home, the Arnold Olsens.

Roy and Harvey Miller and Elmer Maciborsky were home for the holidays.

Mr. and Mrs. Emile Letourneau of Edmonton spent Christmas through New Year's at the Mike Scrybalo's, and also spent some time at the Bob Wennerstrom's.

Hector and Raymond Latrouneau and sons Niel and Danny of Edmonton were out at Buck Lake ice fishing and reported a good catch.

Mrs. Sara Dunn spent Christmas holidays at Edmonton at her daughter's home. Sorry to hear she contacted the flu while there and had to stay longer than anticipated while ill.

Linda Turner who is attending University in Edmonton was home for the Christmas holidays at the Iver Tumers.

Mrs. Bev. McLean is a patient in the hospital, hope to see you home soon Bev.

Mr. and Mrs. Lawrence Hoflin and family were Christmas Day guests of Mrs. Orr at Rosalind and the boys remained there spending a few days with relatives.

Home for the Christmas holidays at the Carl Bohnings were: Emie and Marilyn Carbanneau and family of Oregon, Larry and Caroline Haglund and family of Edmonton, Steve and Jean Hlavoy and family of Calgary and Herb and Darlene Bohning and family of Wainwright.

Diane Larson of Edmonton and Mr. and Mrs. Andrew Larson of Wetaskiwin spend the holidays at the Lars Larsons.

Mr. and Mrs. Wilfred Habekost and Trev. of Calgary were New Year's Day guests at the Bob Wennerstroms.

The Arnold Kellgrens spent New Year's Day at Lacombe at the home of her parents Mr. and Mrs. Jack Wallace.

Mr. and Mrs. Gordie Blades and son of Hanna spent New Year's Day at the Ron Blades. Dale and Elaine Rhyason and daughter were guests with the Blades the weekend of the 28th and 29th.

Dennis Maciborsky entered a rink in the high school bonspiel held in Edmonton on the 27th to 29th. Curling with Dennis were Joe Mills and Robbie Bohning. Byron Larson was unable to go.

The New Year's dance was well attended.

Curling is in full swing now with 18 teams entered in the round robin. The men's open 'spiel is this weekend and the ladies the 26th of this month.

The senior hockey team defeated the Rocky Mountain Braves 7-4 at Rocky last Monday night.

Arnold Olsen is employed with Trimble Drilling Co. out here.

One man to another at cocktail party: "I'm bushed. I think I'll flirt with some good-looking dame so my wife will take me home."

"C" event winners in the Elks Zone 13 Bonspiel were this foursome from Drayton Valley, the Ron Pruden rink who defeated hosting Edson rink skippered by Dan Switzer. Left to right are Skip Ron Pruden, Jim Samborski, Bohdan Urchyshyn and John Paley. They won the Commodore Hotel Trophy.

-- Edson Leader Photo

U.F.A. Show at Buck Lake

A true Civil War story about the Union Army's youngest drummer boy will be presented at the United Farmers of Alberta Entertainment Night, Friday, January 24th, 1:30 p.m., at the Buck Lake Curling Rink, Buck Lake.

The Walt Disney movie "Johnnie Shiloh", tells of an 11-year-old who, historians and legend say, saved a badly-mauled North from one more disastrous defeat at the hands of the wily General Robert E. Lee and his usually victorious Confederate forces.

The movie is one of three scheduled as entertainment for the general public, United Farmer members and their families. Representatives of the UFA's petroleum division and farm supply division will be on hand with displays and answers to questions about the operation of United Farmers in Alberta. The public will be welcomed by UFA delegates of the area. Coffee, hot chocolate and doughnuts will be served.

MAGNOLIA NEWS

MRS. W. E. CAMPBELL
Correspondent

The Magnolia Hall, which was tastefully decorated with streamers and flowers was the scene of a winter-time bridal shower on January 11th, in honor of Miss Connie Walker. Approximately thirty-five courageous friends braved the extremely inclement weather to attend the shower and to wish Connie and Don an abundance of happiness in their future life, together.

After two entertaining skits enacted by several local ladies, Connie, assisted by her bridal attendants, Miss Maxine June and Miss Sharon Rose and two other friends, Miss Barbara Steeves and Miss Judy Reich, opened her gifts. Numerous friends who were unable to attend sent shower presents. After the many useful and beautiful gifts had been passed around for everyone to admire, Connie very graciously expressed her thanks to everyone who had participated in the shower.

A delicious lunch served at

flower-decked tables was thoroughly enjoyed by all present. Those at the bride's table were Connie Walker, Mrs. Brenda Walker, mother of the bride, Maxine June and Sharon Rose, the bridal attendants, and Mrs. Steeves and Connie of Darwell, Barbara Steeves and Mrs. Terry Rose, friends of the bride.

Mr. and Mrs. Ralph Vawter of Fenlac, Saskatchewan spent several days recently visiting at the home of Orris and Dorothy McWillis. Mrs. Vawter is a sister of Orris.

Mr. and Mrs. William Anderson have their grandson, Ron Anderson, visiting with them. Ron, who is an artist, just returned from Sweden where he spent the past one and one-half years.

The January Ladies' Club meeting was held at the home of Doreen Thomeus with Marjory Anderson as co-hostess. Nine intrepid members ventured out into the cold to be present at the meeting. It was decided to hold a Valentine tea and bake sale on February 15th in the basement of the Evansburg Hotel. It is hoped that this will be a very successful venture. Since Mary Reich celebrates her birthday in January, she had the honor of cutting the birthday cake. We hope you had a happy birthday Mary. Marie June was the lucky winner of the tea prize.

KEEPPHILLS NEWS

MRS. G. RAYMOND
Correspondent

Alma and Charlie White were among those having the flu the past few weeks.

Mrs. LeGrand has been working part time at the Nursing Home at Stony Plain.

Congratulations to Mr. and Mrs. George Draves on the birth of a baby girl born January 10th in Edmonton. Heather is a sister for Duane and Darren.

Ken Porter is able to be out around quite a lot now without his crutches.

Mrs. W. Bryant had a party recently in honor of her two sisters who have been visiting her from Saskatchewan the past few weeks.

On January 12th, it was 50 below zero down on the flats and in this area it was the coldest report to date.

Mrs. Jean Vanderwell has been teaching school here since it began after the New Year.

Word comes from Quesnel, B.C., that Andy Walker's granddaughter Ellen Nelson was able to be home for Christmas following a car accident several months ago. She is getting around on crutches.

Cattle-on-Feed Questionnaire

The Statistics Branch of the Alberta Department of Agriculture is asking all cattlemen who receive a questionnaire to complete and return it before the deadline of January 24th.

This will be the third survey in Alberta involving the testing of a new and improved method for obtaining accurate cattle-on-feed estimates. A random sampling technique is used with feeding operations classified according to size. The questionnaire contains questions on the number, sex, and weight of animals being fed for slaughter. The response was very good in the first two surveys and it is expected it will be equally good in the third survey.

Accurate cattle-on-feed estimates add to the knowledge of the livestock economy and thereby reduce the risk of price instability. Although there are some people who are willing to assume the risk associated with lack of

information of market conditions they do so only at a cost, a large portion of which is borne by the farmer.

Remember, good estimates of cattle-on-feed can only be obtained with the full cooperation of feeders who receive the questionnaires. Questionnaires should be completed and returned as soon as they are received. The cut-off date of January 24th has been set so that estimates can be published as soon as possible after the survey date of January 15th.

Safety: Cornerstone of the Gas Industry

Like the human body, Canada is fed through a system of arteries. And they are not all roads and railways. If you were to peel away the many surfaces of this nation, you would find the most extraordinary and intricate arrangements of arteries and veins ever constructed by man for his survival. Resting beneath highways, countryside and city streets are mazes of ingeniously engineered electrical cables, water mains and gas pipelines. It would be calamitous to imagine what would happen if they were to disappear.

Natural gas alone travels through over 40,600 miles of pipeline and utility mains across Canada to reach more than one-and-one-half million customers in homes, commerce and industry. Large quantities of this clean, versatile, economical fuel have become essential to our country. Even in its simplest function — heating of homes — natural gas is crucial. It supplies one-fifth of Canada's energy needs. And it must all be transported silently and safely through the industry's system of pipelines.

In order to keep the pipelines safe, Canada's gas companies maintain a high calibre of service and carefully supervised safety activities. Such activities include inspection, maintenance and replacement of street mains, service pipes, valves, meters and regulators; installation of additional valves for better control; research and development in leak detection, protective coatings, improved pipe and special projects related to local conditions.

The gas industry has always been aware of the value and need of safe operation. First of all, it's good business. If services were interrupted, customers would turn to other energy sources. If gas lines were allowed to leak, profit would be diminished. If corrosion were not corrected, the cost of borrowing would increase. If utility properties became unsafe, insurance rates would soar. But most important, safe operation of natural gas transmission and distribution lines is a social responsibility. It is vital to gas company employees and the millions of people they serve, to the thousands of communities and cities and to the growth and health of the nation.

It was agreed on motion of Councillor Bailey that Hu Harries & Associates Ltd. of 204-8631-109 Street, Edmonton be retained to do appraisals of all buildings, furnishings and equipment belonging to the County of Stony Plain No. 31, for insurance purposes.

INTERIM DEVELOPMENT BOARD-It was agreed on motion of Councillor Bailey that the Council in whole be appointed as the Interim Development Board for the County of Stony Plain No. 31.

RATE OF PAY

-COUNCILLORS

It was moved by Councillor Bakker that the rate of pay for Councillors shall be \$18.00 per day and \$7.00 per day for subsistence and expenses plus mileage.

Councillor Lent moved an amendment to the motion that the rate of pay for Councillors shall be \$20.00 per day and \$10.00 per day for subsistence and expenses plus mileage.

After considerable discussion it was decided to table this matter for further consideration at the next meeting.

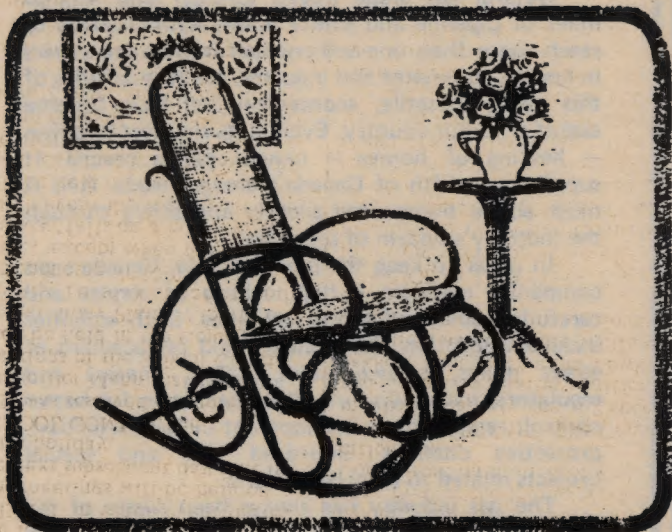

MAINTENANCE OF ROADS IN I.D. NO. 77

On motion of Councillor Bailey it was agreed to request the Department of Highways to maintain the roads in the north end of I.D. 77 until January 10th, 1969.

The meeting adjourned at 6:00 o'clock p.m. on motion of Councillor Bailey to meet again on Monday, January 13th, 1969.

Be ice-safety conscious! Discourage small children from playing on blocks of floating ice and rafts. Small bodies of water, such as ponds and small lakes, offer the safest conditions for children's skating enjoyment.

WILL PRESSURE CONTROL REALLY LET YOU FINISH A 9-HOUR DISCING JOB IN 8 HOURS? (isn't it worth finding out?)

The answer is simple enough.

It's yes.

Here's how we know. The Nationwide Consumer Testing Institute, Inc. put a 21-foot MF 52 disc harrow behind an MF 1100 tractor equipped with Pressure Control. They put the same disc behind some other tractors you could buy in that same horsepower class.

Then they said "Go" and they timed how long it took each tractor to disc the same amount of field. The Pressure Control tractor—the MF 1100—did the job quickest; quick enough, in fact, so that it could have finished in 8 hours what would have taken the other tractors 9 hours to do.

Is it worth taking the time to hear the full story about Pressure Control? Yes, again. Because as comfortable as the seat of a Massey-Ferguson tractor is, it can't beat your rocking chair.

All it can do is get you there faster.

MAKE US PROVE IT!

SEARCH FOR TALENT SHOW HELD AT DRAYTON VALLEY SATURDAY

Second Search for Talent Show of the new year was held at Drayton Valley on Saturday, January 18th in the Frank Maddock High School. Despite 20 below weather and treacherous roads quite a good crowd was present for the evening's entertainment which was sponsored by the Ladies' Auxiliary of the Royal Canadian Legion.

Contestants participated in

five categories with first and second place winners receiving trophies. The first place winners will represent Drayton Valley at the regional semi-finals in April.

Winners were as follows:
Junior Division, 1st, Bruce and Melvin Moltzan; 2nd, June Nielsen.

Country and Western, 1st, Mrs. June Pattison.

Showmanship, 1st, William

Roberts.

Sunwapta Scholarship Division, 1st, Barbara Rea; 2nd, Judith Schneider.

Modern and Popular, 1st, Edwin Erickson and Aino Jensen; 2nd, Sue Nielsen.

Winner of the draw for an electric kettle was Carl Anderson and Brian Winder won the car warmer.

Supplementing the competition on stage was a variety show

featuring Frank Hockaday, The Wanderers and soloist Marilyn Gardner. Joe Morrall of CFRN - Radio was m.c. and Mrs. M. Duplessis the adjudicator.

Members of the Associated Canadian Travellers assisted in production of the show. Major portion of the proceeds go to the Northern Alberta Crippled Children's Fund of the Associated Canadian Travellers of Edmonton.

Junior Division winners Bruce and Melvin Moltzan and second prize winner June Nielsen are shown here with Adjudicator Mrs. M. Duplessis and Wade Blondheim of A.C.T.

Barbara Rea (centre) and Judith Schneider (L) were 1st and 2nd in the Junior Scholarship Division and Sue Nielsen (R) 2nd in modern and pop. They are shown with Colin Austin (L) and Bob Turlock of A.C.T.

Left to right are, Joe Morrall CFRN Radio, William Roberts Showmanship winner, Laurie Schnepf of A.C.T., and Country and Western winner Mrs. June Pattison.

Winners of the Modern and Popular Division were Aino Jensen and Edwin Erickson (holding trophies). They are shown with Colin Austin and Bob Turlock of A.C.T.

WARRIORS POST DOUBLE VICTORIES

The FMHS Warrior basketball club turned back a hustling Warburg five 55 - 44 in a Pembina League contest for first place last Wednesday.

The game was a thrilling seesaw affair with the lead continually changing hands. The Warriors put on a sudden scoring

spree midway through the fourth quarter to ensure themselves the victory.

The excellent work of Ron Cameron and Don Bouschard kept the Warriors in the game up to the fourth quarter surge. In this truly exciting game Doug Ibbotson with 17 points and Don Bouschard with 14 lead the local high school on the scoreboard.

The Warriors travelled to Warburg two days later for an exhibition contest in which the Warriors completely overpowered the Warburg Trotters 87-39. The Warriors were playing a powerhouse brand of basketball to completely subdue the Trotters.

Keith Sodergren who was held to 4 points two nights earlier went on a scoring spree to lead the Warriors with a terrific 33 point effort. Don Bouschard again playing superbly added 15 and Doug Ibbotson 22.

The Warriors will swing back into action come this Saturday when they will meet the St. Francis Xavier Composite High School Edmonton at 1:30 p.m. in their 5th annual tournament at the local high school gym. This assures a great game as these two undefeated teams meet head on.

All Possessions Lost in Fire

The Ed Lauer family of Poplar Ridge area lost all personal effects in the recent fire that gutted the interior of their trailer home. Two registered Boston Bull terriers and a Persian cat were killed in the fire.

All members of the family are gymkhana enthusiasts and their many riding trophies were also lost in the fire. There is some hope that a few of the trophies may be fit for refinishing.

Mr. and Mrs. Lauer and their six children expressed their warm appreciation to the many people who offered assistance following the fire. Help came from the Red Cross, Salvation Army, Pem-

bina River Riders and the Drayton Valley "March for Millions" Fund.

The trailer was covered by insurance and the family has since been re-established in a new mobile home.

Think in terms of ice safety: Be cautious; be especially wary during the earlier and later parts of the winter season.

Regan Ibbotson Passes Suddenly

Regan Donald, youngest son of Mr. and Mrs. John L. Ibbotson passed away very suddenly on Monday evening, January 20th in the University Hospital, Edmonton, at the age of nine years after an illness of only three days.

He is survived by his loving parents; four brothers, Douglas, Blair, Gavin and Paul; on sister, Tammy.

Regan was a grade four student in Mrs. Olga Brown's class in the Drayton Valley Elementary School.

Funeral services will be held Thursday, January 23rd at 2:00 p.m. from the All Saints' Anglican Church at Drayton Valley.

The family has expressed the wish that contributions to the Crippled Children's Fund would be appreciated in lieu of flowers.

Ladies' Aid Holds Meeting

The regular monthly meeting of the Emmaus Lutheran Ladies Aid was held January 16th with 13 ladies and pastor Mohr present.

Pastor Mohr led us with the singing of a hymn, followed by scripture reading. We then continued in our topic study.

Donations are still being accepted for Concordia College Kitchen Guild.

We have a number of our Lutheran dessert and meat cook books on hand, the new casserole cook book will also be available soon.

All ladies may bring in their Christmas cards, they will be sent away later.

A youth rally will be held in our church in February with approximately 75 young people and counselors attending. The Ladies Aid will serve supper for this.

The carpeting for the entrances of the church has arrived.

It was decided to hold a bake sale later in spring.

Pastor Mohr announced that Concordia College Choir will be invited to sing in our church early in spring.

The Inter-Faith Womens Group of Drayton Valley met in our church basement January 20th with guest speakers Miss Meyers and Sister Halder from Edson who are with ARDA, both ladies spoke on their Home Visitors Program, this is a project which offers assistance to individuals and families who are having problems making a living and to get some meaning out of what life has to offer.

ENTWISTLE NEWS

MRS. J. OLIVER
Correspondent

Mr. and Mrs. Yandt of Rutland, B.C., have been visiting the children at Entwistle, Evansburg and Edmonton since the Christmas season. During their stay here they accompanied Mrs. Phyllis Brown, Robert and Jimmy to Barrhead to visit Mr. and Mrs. Sid Jeffery and family. The Jeffery family were former residents of Entwistle.

Mr. and Mrs. Jim Coule are now living in the former Ernie Brown home. Mrs. Coule is the former Jean Brown.

The Entwistle O.O.R.P. will be holding a BINGO on January 31st in the Elks Hall.

The crib game held on January 11th was won by: Ladies - Mrs. Gerald Davey, 2nd Tiny Jevne and Jackie Sanderson. Men - Mr. Hertz, 2nd Norm Hanson.

A whist drive will be held in the Elks Hall on January 24th at 8:00 p.m. Anyone is welcome to come. Lunch is sold.

Sympathy of the district is extended to Mrs. C. Willoughby on the recent death of her father.

Bruce Anderson spent several days in the University Hospital after having an operation on his foot. We hope he will soon be back at school.

It was learned that Mr. and Mrs. Robert Brown are proud grandparents of a tiny baby girl. Congratulations also to Mr. and Mrs. Ernie Brown of Edmonton and Mr. and Mrs. Milton Yandt of B.C. who are great grandparents.

Baby Gary Bullock has been in an Edmonton hospital for several days and is reported to be improving nicely. He is expected to return home shortly, his mother has been staying in Edmonton with him.

A chimney fire was stopped before too much damage was done at the house of Eddie Griegson. Since the place is unfit to live in Mr. Griegson spent the night at the home of Johnnie Bills. It is hoped that he will soon have a place to live as he is an old timer of our district.

MINOR HOCKEY WEEK

Minor Hockey Week starts Saturday, January 25th. This week, dedicated to Minor Hockey and all it stands for across Canada, has become a traditional extravaganza from the shores of Newfoundland to Vancouver Island and from the Arctic Circle to the U.S. border.

We will observe Minor Hockey Week to the best of our ability here in Drayton Valley and keep the above objectives in mind in our activities at the Centennial Civic Centre. However, our annual Minor Hockey Night has been set for Friday, March 7th.

The reason for establishing this later date was to allow more time for to properly perform the necessary promotional and organizational work to make such an event a success. With Minor Hockey Week coming so soon after the holiday season it was found that the required preparations could not be made to hold Minor Hockey Night in January, so it was established that each year we would honor our Minor Hockey organization and program on the first Friday in March.

Promotional and organizational work in the program for Minor Hockey Night is well under way and we look forward to Friday, March 7, as the climax of our Minor Hockey season.

MINOR HOCKEY PROGRAM

We have reached the half way mark in our Minor Hockey season and all is progressing favorably. As usual the schedule was disrupted somewhat during the Christmas season, however, since January 6th, the entire program has been running on schedule.

The Drayton Valley Clippers, sponsored by Rose's Well Servicing Ltd., are well into their schedule in the Hi-Way 16 Midget Hockey League. The Clippers lost some close games to Stony Plain, Leduc and Onoway earlier in the season, but came back strong to down Winterburn 8-4 at the Civic Centre last Saturday evening. This team is expected to make a real fine showing in the second half of the Hi-Way 16 schedule. Coach Orest Hayday has entered the Clippers in the Midget "B" Provincial Play-downs which will be starting next month.

The Tomahawk Totems are leading the Drayton Valley District Bantam Hockey League by a comfortable margin. The Elks are next in line followed by L.B. Motors Tigers. The revamped Tigers have been coming along strong in recent games.

A real race is on at the Pee-Wee level in the Community League. Burrows Motors Seals, Drayton Valley Rbtarians and Drayton Valley Lions are running neck to neck in fourth spot.

The local Mite league has furnished a lot of hockey for a lot of boys during the past two months. Right now the standings for the five team Community League shape up as follows: Flint Eng., Hi-West, J & A Trucking, Swanee's Well Servicing and A.M. Plumbing.

FIGURE SKATING COMMENTARY

To date we have had a fantastic season in the realm of figure skating this year. Under the very efficient direction of the figure skating executive with Mrs. Gwen Simpson as president, the club is offering an all-inclusive and diversified program in this phase of recreation.

On Saturday, February 1st, the first of two key days in the figure skating season, will be featuring the annual skating tests for candidates aspiring to the different levels of accomplishments on the blades. The second big day of the season and the climatic point of the entire program will be on Saturday, March 22nd, when the Annual Ice Carnival will take place.

A week from Saturday candidates from the local club will be tested for their skating efficiency at four different levels, Preliminary, Bronze, Silver and Gold. The examinations will get under way at 8:00 a.m. at the Centennial Civic Centre and will be conducted by personnel from the Alberta Figure Skating Association.

This season the registration in the club is in the vicinity of the 250 mark. Of this number some

183 members are registered in the Beginners and Preliminary classes and 38 have qualified in the Bronze rating. Fifteen members of the club have qualified at the Silver level and fourteen are in the Gold class.

This is an impressive membership and an amazingly elaborate program is being offered especially when you consider that with the exception of one professional instructor who commutes from Edmonton each Saturday, all the instruction is offered by local persons strictly on a volunteer basis. On Saturday instruction starts at 6:00 a.m. and runs through until 12:20 p.m. Instruction sessions are also offered on Monday and Thursday. During the Christmas holidays when all other activities were comparatively slow around the Civic Centre, the Figure Skating Club booked a considerable amount of extra time in order to keep up to par with the instruction commitments. This, ladies and gentlemen, is dedication to the cause. This is the type of dedication that has been synonymous with the activities of the local Figure Skating Club over the years and has made it the very fine organization that we know today.

As Recreation Director and on behalf of our Recreation Board I wish to extend to Mrs. Simpson, the club executive, all the instructors and each and everyone who is involved in the activities of the Drayton Valley Figure Skating Club, a vote of sincere appreciation for their dedication to this cause and the excellent work they are doing for the youth of our town in promoting and carrying out a very vital phase of our winter recreation program.

BANTAM BOWLING

Girls Hi Averages-Lori Legas 124, Renate Mueller 112, Dixie Davies 107, Trudy Pajak 107, Janice Fowler 107, Debbie Woytowicz 107.

Moon Lake Club Chooses Colors

DEB HANSEN
Club Reporter

The meeting of the 4-H Beef Club was held January 7th at 8:00 p.m. in the Moon Lake Hall. A perfect attendance of twelve members and five Pee-Wee's were present.

The Pledge was led by Ralph Johnson which brought the meeting to order.

Since the Moon Lake Club is in its first year outfits are needed for the Achievement Day to be held sometime in July. It was decided to get the pants and ties black and shirts gold.

Rod Sinclair reported on "How and When to Treat a Calf for Warbles or Lice" and Ralph Kapteyn on "How to break a Calf to Lead." Reports for the February meeting are to be given by Debbie Mohr and Dickie Woloszn.

Also each Pee-Wee member talked on the "Name and Weight of their calf."

The Christmas party which was held January 20th was enjoyed by all.

The meeting was adjourned and a delicious lunch was served by Mrs. Kapteyn and Mrs. Hansen.

MOTHERS MEET

Cub and Scout Mothers Auxiliary held its first meeting of the year on January 15th. Due to cold weather there were few at the meeting.

The father and son banquet was discussed and will be held February 17th in the Elks Hall at 6:30 p.m. Any mothers of the Cubs and Scouts wishing to help serve that evening may phone 542-4239 or 542-4063.

BOTTLE DRIVE CANCELLED

The Cub bottle drive which was scheduled for this Saturday, January 25th has been cancelled in respect to the memory of Cub Regan Ibbotson.

Competition from other foods, including synthetics, may soon force the poultry industry to measure the value of eggs in terms of amino acids and other nutrients instead of just size and quantity. Dr. A. T. Hill, a Canada Department of Agriculture scientist at the Agassiz (B.C.) Research Station, says poultry farmers will probably have to pay more attention to what's inside the egg in future. He is studying the possibility of breeding chickens in a manner that would make the egg an even more nutritious product.

HEALTH UNIT NOTES

HONG KONG FLU

This disease is labelled mild and small outbreaks have tended to be localized. There is no evidence of wide-spread dissemination across the United States or Canada at the present time.

Causeative Agent: new variant of the A2 influenza virus.

Typical syndrome: dry cough, temperature of 98.6 - 100 degrees F., headache and myalgia (tenderness or pain in the muscles). Several persons have complained of photophobia (unusual intolerance of light). Individual

illnesses last approximately 36 hours. It's wise to stay in, for about 24 hours after symptoms have disappeared.

Prophylaxis: as for other influenza; plenty of rest, good diet maintenance of general good health. See your doctor, especially where respiratory tract involvement occurs.

Vaccine: If it does become available, it will probably be in limited quantity, and recommended for adults and children with chronic debilitating diseases, and those in older age groups. Since the vaccine viruses are propagated in eggs, the vaccine should not be administered to anyone who is allergic to eggs.

"My goodness, how did you get Junior to mow the lawn?"
"I told him I lost the car keys in the grass."

Alder Flats Clothing Club Elects Officers

HEATHER MACLEAN
Club Reporter

The Alder Flats 4-H Clothing Club held an organizational meeting, December 10th at 8:30 in the Legion Hall. Eight members were present.

The election of club officers took place. Sheila Hammond was elected president; Diane Seely, vice-president; Linda Seely, secretary; Joanne Knight, Treasurer and Heather MacLean, club reporter. Mrs. Danyluk is our club leader.

On January 9th at 8:00 p.m., a meeting was held in the Legion Hall, seven members were present.

Mrs. Danyluk demonstrated how to make mitred corners and there was a question and answer period on cotton.

Mrs. Danyluk, also, very kind-

ly donated \$5.00 to get the club started.

Sharon Durant and Sheila Hammond served a delicious lunch at the close of the meeting.

The next meeting will be January 30th.

CHAMBER EXECUTIVE MEETING THURSDAY

A meeting of the executive of the Drayton Valley and District Chamber of Commerce will be held at noon on Thursday, January 23rd at Dave's Cafe.

SENIOR CITIZENS ANNUAL MEETING

The annual meeting of the Drayton Valley Senior Citizens Club will be held Thursday, January 30th at 7:00 p.m. in the Elks Hall. The meeting was postponed from January 16th.

TROPHY NIGHT

At the regular meeting of the Pembina Oilfield Fish and Game Association on January 30th trophies for largest big game animals and fish will be presented.

WARBURG NEWS

MISS V. LEHAY
Correspondent

Violet and Sojid Aziz of Vancouver were in Warburg to spend Christmas with Mr. and Mrs. Frank Fodor and brother, Frank. Mrs. Aziz is presently teaching school in Vancouver.

Viola Fodor was also home from Vancouver where she is attending a fashion design school. Margaret Rose, presently teaching at St. Catherine's School and attending University, spent the holidays with her family.

Michael, Marion and Jo-Anne Rose spent a few days after Christmas with their brother Stanley Rose and family.

Gloria and Don Proctor were home to spend Christmas with Mr. and Mrs. L. Barager.

Russell Barager, working at Waterous in Edmonton, was also home.

Maxine Lutzysyn of Edmonton spent Christmas week with Mr. and Mrs. Joe Lutzysyn and Lucy.

Mr. Raymond Wold of Saskatoon spent his holidays with Mr. and Mrs. E. Wold.

Mrs. Martin Watz stayed in B.C. for four weeks visiting her brothers and sisters in Castlegar and Vancouver. She reports lots of snow and cold weather.

Mr. and Mrs. Lawrence Kwiatkowski and family spent the Christmas holidays with relatives in Calgary and motored to Creston, B.C. to visit Mr. and Mrs. Charlie Fuloos and family.

Linda Gaunt went north to Manning and spent her holidays with her grandfather, Ted Hendry.

Leona Hartley and girls went to High Level to spend the holidays with Harry Hartley, husband and father.

Mr. and Mrs. Kelvin Zelmer and Mr. and Mrs. Vernon Zelmer and families and Mr. and Mrs. John Zelmer had Christmas dinner with Mrs. Bob Demuyck and her family.

Mrs. Mary Leahy and family had New Year's Day at Fallis with her daughter Mrs. Charlotte Winters and her husband Bruce and family.

Virginia Leahy accompanied her cousin, Alfred Molzan and Marion Klatt to Didsbury to visit cousins Mr. and Mrs. Oscar Molzan and family and Wendy Heinz. While there Virginia visited with Mr. and Mrs. Albert Habermehl, Don and friends.

Mr. and Mrs. Ben Grohn and Robbie went to Stony Plain to have Christmas dinner with Mr. and Mrs. P. Kause.

Mr. and Mrs. Cantelon and son motored to Regina to visit Mr. and Mrs. Harold Cantelon Senior for Christmas and on to Saskatoon to spend New Years with Mr. and Mrs. R. Odegard.

Richard Leahy, who is now a resident of Lumby, B.C. spent the Christmas week with Mrs. Mary Leahy and family.

Shirley Knopp, now attending Kingsway College in Ottawa, spent the holidays at home.

Marlene Lippert and her friend Dianne Wachter returned to Canadian Union College in Lacombe on Sunday, January 5th.

Wendy and Chester Wolfe and family spent Christmas week with Mr. and Mrs. Jim Hankins. Elsie Hankins also spent her holidays at home.

Former Warburg students who spent Christmas at home were, Bob Avery, Brian and Nancy Cunningham, Dianne Wegner, Darlene Wegner and John Saluk.

Jeanette Gruninger went to Prince George, B.C., to visit Mr. and Mrs. Frank Martin and family.

Funeral Service For Mrs Kennedy Of Burtonsville

Funeral services were held December 27th for Mrs. Della Kennedy of Burtonsville who passed away on December 23rd. Services were held at Foster and McGarvey Funeral Chapel in Edmonton and interment was made in the Free Methodist Cemetery at Burtonsville.

Mrs. Kennedy was born at Ardley, Alberta on October 31st, 1905. She was married to John D. Kennedy on August 16th, 1926 and seven children were born to the couple.

She leaves to mourn her loss; her loving husband, the Rev. J.D. Kennedy; four sons, Rev. Kenneth Kennedy of London, Ontario, Ross of Linaria, Allister of Duffield and Eldon of Edmonton; three daughters, Mrs. Jean (Gordon) Smith of Jarvil, Mrs. Alice (George) Marshall of Linaria and Mrs. Grace (Peter) Petraschuk of Calgary and 24 grandchildren; also five brothers, Ivan Johnson of Blaimore, Ira of North Surrey, B.C., Ross of Queenston, Ontario, Reginald of St. Albert and Lester of Edmonton; four sisters, Mrs. Ruth Woods of Washington, Mrs. Vera Bates of Toronto, Mrs. Dorothy Luck of Penticton, B.C. and Mrs. Ethel Sandeck of Vancouver, B.C. She also leaves a host of friends.

FACILITIES IMPROVE

The new skating rink started at Tomahawk under the County of Parkland recreation program is reported to be doing a booming business and completion of a rink shelter well underway last week at Entwistle.

The Tomahawk rink is proving a fine addition to the community and the Entwistle building is expected to make skating facilities in the village more useable.

Familiar Sight

Ditched vehicles along the ice-coated roads and highways have become commonplace since the freezing rain of New Year's weekend and this scene is being repeated time after time throughout the region. Adding to the misery of stranded motorists is the bitterly cold weather that has been with us since before Christmas with only a short break at the turn of the year when the unwelcome rain arrived to play havoc with highway travel.

REBELS LOSE FIVE STRAIGHT

1969 is proving a disastrous year for the Drayton Valley Rebels with 5 losses in as many outings. All of these losses were to teams that they are fighting with for play-off positions. Saturday they were soundly trounced by the Maroons from Camrose 6-2 and on Sunday they lost to the Fort Saskatchewan Huskies by a 5-1 count. The Rebels are still in 3rd place in the N.C.L.H.L. with the Maroons.

On Saturday night the Rebels skated with the Maroons for the first period and managed to hold the fast skating Camrose club to only one goal, that by McLean at 11:40.

The second period was all Camrose as they dominated play throughout and outscored the Rebels by 4 goals to 1 on 2 goals by Kinnee and one each by Diworth and Tremniec. Ness scored the only Drayton goal on a pass from Hopfe at 19:33 of the second period to end the scoring.

The two teams exchanged goals in the third period, as the Maroons outshot the Rebels 20-40 with McLean getting his second goal of the night for the Maroons and Ness scored his second on a back hand that beat the Maroon goaltender cleanly at 15:55. There were 6 minor penalties, Camrose taking 4.

Third and fourth places could be decided when these two teams meet in Camrose on Tuesday, January 28th for their final meeting of the regular season.

On Sunday afternoon the Fort Saskatchewan Huskies wasted no time as they scored on their first

shot on goal. A "Texas League" type screened shot bounced off Moger's shoulder to give the Huskies a 1 goal lead at the 25 second mark. Pinnell was credited with the unassisted goal and it appeared that a repeat performance of Saturday night's game was in store. However, the fluke goal inspired the Rebels and with the hardest hitting and skating shown by the Rebels this year, paid off at the 4:33 mark, when Davie completed a three way passing play with Hopfe and Ness to tie the score.

The hard hitting and end to end rushes continued again in the second period and at 1:40 Thorne tipped in a pass from Thomlinson when he was left alone in front of the Rebel net to give the Huskies in a 2-1 lead at the end of the second period.

In the third period the Rebels pressed to get the equalizer and had the play in the Huskies zone the majority of the first 10 minutes. Only some erratic shooting kept the Rebels off the score board. At 12:07 Grier took the starch out of the Rebel drive as he scored to give the Huskies a 3-1 lead. McIntyre scored the first of his two goals at 13:57 when Haack was cooling his heels for a boarding penalty. His second came at 17:17 to make the final score 5-1 in favour of the Fort Saskatchewan club.

13 minor penalties were called in the game with 7 going to the Rebels. At 8:30 of the second period Davie of the Rebels and McIntyre of the Huskies went off for 6 minutes each when they re-

ceived a slashing and double minor for roughing.

429 faithful fans, the largest of the season braved the 25 below weather to witness the game on Sunday.

The next home games for the Rebels will be on February 1st and 2nd when the Fort Saskatchewan Huskies will be in town.

Tuffs Rink Advances In Brier Play-down

The Richard Tuffs rink has won the Drayton Valley Curling Club play-off for the right to advance to the Brier Zone final. Hall Innis skipped the runner-up rink.

Other members of the Tuffs rink were Walley Peter, 3rd,

Mrs. Wilfred Sleno will entertain at her home on Saturday evening, January 25th in honour of Miss Iona Tucker with a bridal shower. Mrs. Sleno hopes that all friends of the bride and groom will attend.

Mrs. Case was eighty years young on January 12th. A family gathering to mark the occasion was held at the home of Mr. and Mrs. Joe Jouan, in Tomahawk. Five of Mrs. Case's eleven children were able to be present. They are: Charles, David, Walter, Olive (Mrs. Jouan) and Adeline (Mrs. Duckett). Several grandchildren and great grandchildren were also present. Mrs. Case was presented with a beautiful bouquet of roses and chrysanthemums. Best wishes for many more happy birthdays, Mrs. Case.

Mrs. Doig and the two younger children are spending a month in Winnipeg with her parents and parents-in-law.

Linda Barnes is taking a course in Computer Technology at Calgary Tech. and is enjoying both the course and life in the southern city.

Danny Sleno had joined the Navy for a five year stretch and left on January 16th for Cornwallis, Nova Scotia. Mr. and Mrs. Rudy Hinse had a farewell party for Danny last week at which the departing sailor was presented with a flight bag. Any-

one who has sent children away for the first time will understand why the Sleno house seems large and empty these days.

BERRYMOOR

MRS. D. MARTIN
Correspondent

The extremely cold weather has kept your correspondent so close to home that not much in the way of news has come to our attention.

Best wishes to all our local residents who have been bitten by the 'flu bug'. And, an extra get well is extended to all those who had to go to hospital because of it.

The W.A. of the Berrymoor Pentecostal Church held their monthly meeting at the home of Mrs. Isabel Martin on the evening of January 14th. Seven members were present and plans for a spring bazaar were discussed.

The Harlem Aces basketball team put on a display of their fine talent at the Breton High School gymnasium on January 13th. Despite the very cold weather and icy roads quite a crowd was in attendance, and thoroughly enjoyed every minute of the performance. It was truly worth seeing.

Charlie Martin left Edmonton by plane on January 15th for his job, north of Fort Nelson, B.C. According to the weather map temperatures up there, they have been hovering very close to 60 below zero. Sure hope that you took your red flannels along, Charlie.

Brian Thorsen has been spending a few days with his brother, Wayne.

Did you hear about the cow that drank some purple dye and MOO'D INDIGO?

Drayton Valley Figure Skating Club

A Letter to Our Members:

Figure skating test day is fast approaching. Skaters, parents, teachers and the Executive are all anxiously awaiting the outcome because the end result spells the success or failure of this year's program.

We cannot, however, expect every participant to pass their test successfully, the reason may be one of the following:

1. The skater may not have the high degree of coordination necessary to accomplish test requirements.
2. The skater may be missing valuable practice periods.
3. The skater may not be making use of public skating periods to strengthen their legs and muscles.
4. The skater may be attending practices regularly but instead of getting out there and practicing just stands around waiting for someone to prod them on.
5. The skater may have attended all lessons and practices and also public skating periods but may still fall short of the polished requirements of the test.

Perhaps your child may be one of the unfortunate ones that are unsuccessful on test day - so before you blast off at the child, the teacher or the club, please think things over. Just remember that somebody is spending hours of their valuable time all winter long trying to teach your child to skate - for a cost to you of less than a babysitter. All the teachers, but one, work free of charge all winter for the benefit of you and your child. Have you done your part to help?

If you are not satisfied with any phase of the figure skating club operation, instead of blasting off at random, please drop a letter to the Secretary of the club, the Executive welcomes constructive criticism to help build a sound and better organization.

GOOD LUCK to each and every participant, we hope you all pass your tests.

Drayton Valley Figure Skating Club.

OBITUARY

WRIGHT

Mary Dinah Kenny was born in Centrilla, Huron County, Ontario on September 11th, 1885. She was a member of a family of 12. Her parents were interested in what the Canadian West had to offer in opportunities for an ambitious family and so they all moved to De Winton, Alberta in 1890 where they homesteaded.

In 1908 she met and married Richard R. Wright and they, too, decided to take up the life of homesteaders, in a new area. They took up a homestead in the Keephills area of Alberta. Life there was one of hard work, brush and timber removal, building their home of materials at hand, and making ingenuity serve them in all ways possible.

To this marriage were born 7 children, Richard, living at Okotoks; Lillie (Mrs. Albert Plautz), deceased; Violet (Mrs. H. Calvert) of Castor; Ruth (Mrs. George Fenwick), deceased; Henry, deceased; Myrtle (Mrs. George Elliott), of Castor; and Bill, deceased.

After a long illness Mr. Wright died at Keephills in 1951. Following his death, Mrs. Wright continued life on the old home place, but being tired and getting on in years, she finally decided to sell the farm and join her various children. Without doubt, grandchildren and all were delighted when 'Grandma' came to stay for a while. She was invariably cheerful and helpful, as well as generous and kind.

She had been increasingly ill for the past several months but always cheerful and hopeful of coming home. A broken hip and other severe complications proved too much however for her dauntless spirit but frail body and so she passed away on January 14th in the Castor Hospital.

She will be greatly missed by her many friends for her unflinching interest in them, her alertness, cheerfulness and loving kindness; but missed most of all by her daughters Mrs. Calvert and Mrs. Elliott of Castor and son Richard of Okotoks, 19 grandchildren, 24 great-grandchildren, two sisters (Kate Brown and Ethel Fredrickson) of Turner Valley and brother Dunc Kenny of Calgary.

Her funeral was held at Knox United Church with Rev. George Eason officiating. Lissack Funeral Home in charge of arrangements, interment taking place at Castor Cemetery.

Camrose Band to Play for Teen Dance

A local teen pop band which has been playing for some time at the Junior High School dances recently developed a friendship with a number of 1st year Varsity students at the Camrose Lutheran College. As a result of this acquaintanceship a College band will be playing in Drayton Valley at the Elementary School gym on Saturday, January 25th. The College band was organized recently under the name "The Chain Reaction" by Michael Chiu, who last year had a teen band in Hong Kong.

The local group which has been doing the inter-community "P.R." job has recently re-organized under the name "The Eighth Day" and consists of Mark Pickup, Brian Henry, David Getzinger and Greg Manning.

The Camrose "Chain Reaction" band plans to feature the "Eighth Day" band for a portion of the dance. The local band plans to donate their portion of the proceeds of the dance to charity.
